Band Directories Copyright 2005

Brief Description	We played out of Knoxville for Johnny Perkle. We traveled Tenn, Al, Ky Fla. We played with Clifford Curry. Also played on shows with Robert Knight, Medallions, Sweet William. Al Gardner with James Brown booked us for a while after Kelley and Perkle split. We had three horns, lead, bass, drums, and of course my Hammond. I have played with the Medallions on occasions when I see them. Our singer was Archie Ashe for a number of years. I left and played with Sweet William and Clifford and Martells. I don't have any pictures but we were well known in Knoxville. We played with Clifford when he first did "She Shot A Hole In My Soul." David Coile
