<b>Brief Description</b>	The Footnotes of Sumter, SC formed in 1966 and the group disbanded in 1971. The band was born from a combination of The Jackstones and The Villagers (Sumter), all students at Sumter's Edmonds High School. The Footnotes became a popular backing band at the Beach Club and played the college fraternity system extensively. Hear the Footnotes on Disk #2 with a great cover of Tony Clarke's "The Entertainer."
