

Nobody's Perfect, Blacksmith, Fantastic Shakers / North Carolina
Band Directories Copyright 2005

Brief Description	Nobody's Perfect and neither is this band directory because we know many of those listed below were not a members of Nobody's Perfect and the song on the CD was actually recorded by The Fantastic Shakers, but Bo Schronce is an important citizen of the Beach Music world and although his Fantastic Shakers band was not a product of the 60s, Bo is and so is the cut on the CD, <i>The Biggest Mistake</i> . It seems like a good title for this band directory but a fitting song for the Soundtrack to "The Heeey Baby Days of Beach Music."
