

Roemans/Tampa, Florida

Band Directories Copyright 2004

<b>Brief Description</b>	As Lanny and The Impressions, they were signed by ABC records but had to change their name because ABC already had a group of Impressions (Curtis Mayfield) Their new name the Romans was short lived because Tommy Roe needed a backing band, hence Roemans. The band toured throughout the Southeast when not backing Roe and had their own regionally popular hits with <i>Miserlou</i> , <i>Universal Soldier</i> , and others.
