

Tropics / Greensboro, North Carolina

Band Directories Copyright 2006

Brief Description	Much of the success of the band goes to Ken Adkins, a left-handed upside down guitar player who, later, moved into a position as an agent at The Jokers 3 Agency, followed by a position of leadership at Game Artist Management Group in the late '60's and early '70's — the group sported two soul brothers, Arnold and Jimmy Robinson, fronting the band in a vocal capacity. Hear the Tropics and "Hey You Little Girl" on Disk #2 of the book's CDs.
