

Vistas/ Augusta, GA**Band Directories Copyright 2006**

Brief Description	The Vistas were an Augusta, GA group that fell under the spell of the ubiquitous Roy Smith, resulting in this ridiculously rare tip of the hat to Willie Tee's THANK YOU JOHN. As it was a Delphi Records release, it was a pressing of significance. For the full story on the strange details of how it got a Delphi 0012 slotted release number, check out Volume 8 of the Heeey Baby Days of Beach Music series .
