

Weejuns / Burlington, North Carolina
Band Directories Copyright 2005

Brief Description	An early and important band in the development of Carolina Beach Music, was the Burlington, NC Weejuns, coming together in 1959 at Elon College. Central to the whole Burlington music scene, was band member Don Miller and his Burlington music store, that sold the latest pop, country and soul releases, as well as a wide variety of musical instruments. The integrated Weejuns group issued their first single "If You Say Goodbye" in 1963. That was followed by a cover of Arthur Alexander's WHERE HAVE YOU BEEN ALL MY LIFE, in 1966, complete with picture sleeve, a real rarity for Beach acts in the 60's. As Bob Dylan so astutely warned back in the mid-60's, "The Times They Are a-Changin'". Music by the Weejuns available on volume 12 of the Heeey Baby Days compilation series.
